Sub: Shortage of accommodation at RRCAT Guest House & Hostel Complex during 28th Jan to 01st Feb 2024 for delegates of 32nd DAE-BRNS National Laser Symposium (NLS-32)

In order to accommodate all the VIP guests, invited speakers, 150 student participants and other officials of DAE visiting RRCAT on official duty during 28th Jan to 1st Feb 2024, the accommodation in RRCAT Guest House is falling short of requirement. Due to this reason, the Organizing Committee has decided to provide accommodation in “**RRCAT GUEST HOUSE & HOSTEL COMPLEX**” to student delegates ONLY as they have limited financial support.

In view of above, it may not be possible to provide the guest house facility to the delegates of NLS-32 who are from various government organizations including DAE, DRDO, ISRO and faculty from academic institutes. Hence, it is requested that they may please book their accommodation in nearby hotels. The **LIST OF HOTELS** along with the tariff rates (negotiated for NLS-32 participants) and contact details for booking are given on the website of the NLS-32 (www.ila.org.in/nls32).

We regret the inconvenience caused, if any.

Thanks and regards,

Dr. Sunil Verma
Convener, NLS-32
